

Precision-Flow™ GM Gen IV Fuel Injectors

The FAST™ Precision-Flow™ Fuel Injectors for GM Gen IV engines are the highest flowing injectors available and are uniquely designed for direct installation into LS2 and LS7/L76/L92-style engines. Available in two different height configurations and a wide range of flow rates, the injectors are correctly sized (shorter than common LS1/LS6 injectors) and feature the correct EV6/USCAR connector, enabling a hassle-free plug-in operation.

| | |
|---|-----------------------|
| LS2-Type 33 lb/hr (346.5cc/min) High-Impedance Single Injector | #30332-1 |
| LS2-Type 46 lb/hr (483cc/min) High-Impedance Single Injector | #30462-1 |
| LS2-Type 57 lb/hr (598.5cc/min) High-Impedance Single Injector | #30572-1 |
| LS7/L76/L92-Type 39 lb/hr (409.5cc/min) High-Impedance Single Injector | #30397-1 ¹ |
| LS7/L76/L92-Type 50 lb/hr (525cc/min) High-Impedance Single Injector | #30507-1 ¹ |
| LS7/L76/L92-Type 65 lb/hr (682.5cc/min) High-Impedance Single Injector | #30657-1 ¹ |

¹ Fits FAST™ EZ-EFI 4150 Throttle Body

* All injectors also available in packages of 4, 6 & 8. Simply change the -1 to -4, -6 or -8 for the desired quantity.

** All Injectors flow rated at 58 psi. (Stock OE LS operating pressure)

Fuel Injector Adapter Harnesses & Connector Kits

FAST™ Fuel Injector Adapter Harnesses and Connector Kits enable easy retro-fitting of both new and old style electronic fuel injectors. New style fuel injectors can be used on vehicles equipped with older-style Minitimer connectors. Retro-fitting a Minitimer injector into a USCAR harness is also possible with a different adapter harness. Connector kits, complete with terminals, seals, and plugs, are available as well, allowing direct re-termination of existing harnesses with the correct connectors, either Minitimer or USCAR.

| | |
|-----------------------------------|-----------|
| Minitimer Type Connector Kit | #170599-1 |
| USCAR Type Connector Kit | #170600-1 |
| Minitimer To USCAR Type Connector | #170603-1 |
| USCAR To Minitimer Type Connector | #170604-1 |

* Each connector & kit are also available in packs of 8. Simply change the -1 to -8.
